

LECTURES/LIVE SURGERY TELECAST: O&G AUDITORIUM, 7TH FLOOR, WOMEN & CHILDREN HEALTH COMPLEX, UMMC  
ANIMAL WORKSHOP: NOCERAL BUILDING, 2ND FLOOR, FACULTY OF MEDICINE, UNIVERSITY OF MALAYA

## REGISTRATION FORM

TITLE ☐ Dato' ☐ Prof ☐ Dr ☐ Mr ☐ SN ☐ Mdm ☐ Ms

FULL NAME \_\_\_\_\_

INSTITUTION \_\_\_\_\_

ADDRESS \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

EMAIL \_\_\_\_\_

PHONE/ MOBILE NO. \_\_\_\_\_ FAX NO. \_\_\_\_\_

FOOD PREFERENCE ☐ Non-Vegetarian ☐ Vegetarian

### DECLARATION

I declare that I have read and agreed with the cancellation policies of the Workshop Organiser. The workshop organiser reserves the right to retain all fees paid in the event of nonattendance at the workshop.

SIGNATURE \_\_\_\_\_

DATE \_\_\_\_\_

### IMPORTANT NOTE:

- Please complete and return this form to the Laparoscopic Gynaecology Surgery and Hands-On Animal Workshop Secretariat:  
Attn: Nurulshafini binti Mohammad @ Ab Aziz & Hanisah binti Mohammad  
Department of Obstetrics & Gynaecology, Faculty of Medicine, 7th floor, Women & Children Health Complex, University Malaya Medical Centre, Jalan Universiti, 59100 Kuala Lumpur. Or, email to ogum.mig@gmail.com
- For more information please call Nurulshafini binti Mohammad @ Ab Aziz at +60-17-9609255 (mobile) or +60-3-79492607 (office); or call Hanisah binti Mohammad at +60-12-6426462 (mobile) or +60-3-79496895 (office); or fax to +60-3-79494193; or email to ogum.mig@gmail.com.
- Course fee can be paid by cheque, payable to "Persatuan Kebajikan O&G, PPUM" or can be deposited into our account at Maybank Berhad; account no: 564182401719; account name: Persatuan Kebajikan O&G, PPUM.
- You need to complete this form in capital letters and keep a photocopy of one for your record keeping.
- Registration fee is acceptant before 14 June 2015.
- Registration fee does not include accomodations.

## TENTATIVE PROGRAM & SPEAKERS

### DAY 1: 26 JUNE 2015, FRIDAY

08:30 – 09:00	Registration & Opening
09:00 – 09:30	<b>DOCTORS PROGRAMME:</b>
	The Anatomy of Endometriosis <b>ASSOC. PROF. KRISH KARTHIGASU</b>
	<b>NURSES PROGRAMME:</b>
	The Role of Perioperative Nurses in Complex Gynae-Endoscopic Surgery <b>PUAN NORSIAH RAHMAT</b>
09:30 – 10:00	<b>DOCTORS PROGRAMME:</b>
	The ABC of TLH in Endometriosis <b>DR JIWAN SINGH</b>
	<b>NURSES PROGRAMME:</b>
	Complications & Crisis Management When Things Go Wrong <b>SISTER NORMAH MAT</b>
10:00 – 10:30	Laparoscopic Treatment of Endometrioma: Suspicious of Malignancy <b>DR HUANG KUAN-GEN</b>
10:30	Coffee Break
10:30 – 13:00	Live Surgery Telecast
13:00	Lunch Break
13:00 – 16:30	Live Surgery Telecast

### DAY 2: 27 JUNE 2015, SATURDAY

SESSION 1			
DOCTORS PROGRAMME:			
ANIMAL WORKSHOP (A)		DRY LAB (B)	
08:30 – 09:00	Introduction & Orientation to the Animal Lab	09:30 – 12:30	Laparoscopic & Hystericopic Endotainers. Basic Suturing Apparatus.
09:00 – 13:00	Bladder Repair, Total Laparoscopic Hysterectomy BSO, Retroperitoneal Lymph Node Dissection/PLND, Bowel Injury Repair & Resection, Large Vessel Injury Repair & Nephrectomy		
13:00 – 14:00	Rest/Lunch		
NURSES PROGRAMME:			
ANIMAL WORKSHOP (A)		OPERATING ROOM SIMULATION (B)	
08:30 – 09:00	Introduction & Orientation to the Animal Lab	09:00 – 12:00	OT
09:00 – 13:00	Bladder Repair, Total Laparoscopic Hysterectomy BSO, Retroperitoneal Lymph Node Dissection/PLND, Bowel Injury Repair & Resection, Large Vessel Injury Repair & Nephrectomy	12:00 – 13:00	Case Discussion
13:00 – 14:00	Rest/Lunch		
SESSION 2			
DOCTORS PROGRAMME:			
ANIMAL WORKSHOP (A)		DRY LAB (B)	
13:30 – 14:00	Introduction & Orientation to the Animal Lab	14:30 – 17:30	Laparoscopic & Hystericopic Endotainers. Basic Suturing Apparatus.
14:00 – 18:00	Bladder Repair, Total Laparoscopic Hysterectomy BSO, Retroperitoneal Lymph Node Dissection/PLND, Bowel Injury Repair & Resection, Large Vessel Injury Repair & Nephrectomy		
19:00	Iftar/Dinner		
NURSES PROGRAMME:			
ANIMAL WORKSHOP (A)		OPERATING ROOM SIMULATION (B)	
13:30 – 14:00	Introduction & Orientation to the Animal Lab	14:00 – 17:00	OT
14:00 – 18:00	Bladder Repair, Total Laparoscopic Hysterectomy BSO, Retroperitoneal Lymph Node Dissection/PLND, Bowel Injury Repair & Resection, Large Vessel Injury Repair & Nephrectomy	17:00 – 18:00	Case Discussion
19:00	Iftar/Dinner

Live Animal Workshop & Video Presentation:  
NOCERAL Building, 2nd Floor  
Faculty of Medicine University of Malaya

### Live Surgery Telecast:

O&G Auditorium, 7th Floor  
Women & Children Wellness Complex  
University Malaya Medical Centre

### CERTIFICATION:

Certificate of Attendance and CPD accreditation  
Each participant will be given a  
Certificate of Attendance.

**CDP POINT:** DOCTOR: MMA-CPD/CME = 10pts  
NSR = 10pts  
NURSES : Lembaga Jururawat  
Malaysia = 20pts

### REGISTRATION FEE

2-day course: 26 – 27 June 2015

Registration and the registration fee is acceptant  
before 14 June 2015

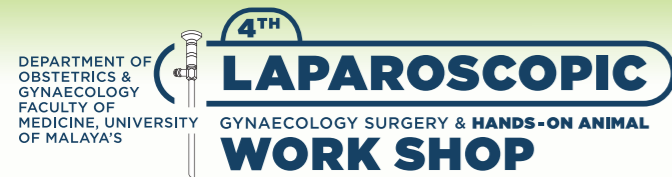

#### LECTURES, DRY LAB, ANIMAL LAB & LIVE SURGERY:

**FOR DOCTORS :** RM1,500.00  
**OT OBSERVER :** RM500.00 (LIMITED SPACES)  
**FOR NURSES :** RM500.00 (LIMITED SPACES)

#### ON SITE REGISTRATION

**LECTURES, DRY LAB, ANIMAL LAB & LIVE SURGERY:**  
RM2,000.00  
**LECTURES, DRY LAB & LIVE SURGERY:**  
RM1,500.00

*Registration is not complete unless accompanied by the appropriate registration fee. Please view page on the left for course registration form.*

APAGE

## COURSE DESCRIPTION

The Laparoscopic Gynaecologic Surgery and Hands-On Animal Workshop is now fourth year in running; providing an in-depth review of the know-how, latest information and techniques in Gynaecologic Laparoscopic Surgery.

We are proud for to be affiliated to The Asia Pacific Association of Gynecologic Endoscopy & Minimally Invasive Therapy (APAGE) via their endorsement of our workshop. This recognition is very meaningful to us as APAGE is the largest and most influential platform for Gynae-Endoscopy in the Asia Pacific region.

This year, we will feature a Live-Surgery Telecast focusing on Endometriosis. Our featured surgeons will demonstrate and walk us through the surgery whilst sharing tips and tricks gathered over years of experience handling a variety of endometriosis complications. We will introduce the usage of uterine manipulators and positioning systems, as well as a new innovative camera positioning systems.

The Animal Hands-On will feature new “toys” to play with: newly designed myomectomy screws, knife handles, dissectors/retractors as well as porcine uterine manipulators for practicing Total Laparoscopic Hysterectomies!

We have also incorporated an interesting Perioperative Nursing Programme for the benefit of nurses and endoscopic operating theatre staff. We will feature mini-lectures, an Operating Room Simulation and attendees will participate in the Animal Hands-On session as well.

We realise that it is held during the Ramadhan (Fasting) Season, and so have incorporated a relaxed yet fulfilling programme with an Iftar feast at the end of the day!

## TARGET AUDIENCE

Specially designed for O&G physicians, Gynaecologic surgeons, OBGYN fellows, residents, postgraduate students, endoscopic operating theatre staff who would like to pursue training particularly progressing from Intermediary to Advance Level.

## PROGRAM OBJECTIVE

At the end of the workshop, participants should be able to: **SELECT** appropriate instrumentation for use in laparoscopic surgery which will improve surgical efficiency and decrease risks of complications.

**APPLY** appropriate energy sources which invariably will improve patient safety and outcomes.

**PERFORM** laparoscopic suturing, improving surgical capabilities and decrease likelihood of converting procedures to laparotomy.

**EXPLAIN** and inform accurately to patients / trainees of steps involved in performing laparoscopic hysterectomy, prolapse, myomectomy etc.

**DISCUSS** principles of Minimally Invasive Gynaecology.

**ACQUIRE** skills and techniques imperative for basic and advanced Gynaecologic laparoscopic surgery.

**CONTINUOUS MEDICAL EDUCATION** and self-improvement via attendance to this annual UM MIG workshop series.

**ASSOCIATE PROFESSOR DR NOOR AZMI MAT ADENAN**  
Organizing Chairman,  
Department of Obstetrics & Gynaecology,  
Faculty of Medicine,  
University of Malaya, MALAYSIA

**DR AIZURA SYAFINAZ AHMAD ADLAN**  
Course Director,  
Department of Obstetrics & Gynaecology,  
Faculty of Medicine,  
University of Malaya, MALAYSIA

## HONORARY FACULTY

### DR JIWAN SINGH

Based in Perth Australia, Dr Jiwan Singh has been involved in surgical education throughout the world for over two decades; delivering lectures and conducting workshops in many countries including Australia, Malaysia, USA, Brunei, Indonesia, Hong Kong and his native Singapore.

Dr Singh's passion for inventing new devices to overcome the challenges and obstacles to laparoscopic surgery led him to form the innovative instrumentation company SurgiToolsMIS, whose products are available throughout the region.

### DR KRISH KARTHIGASU

Dr Krish is the Head of Department at King Edward Memorial Hospital, Australia and had setup the Gynaecology Endoscopy Unit at KEMH. He specialises in advanced endoscopic surgery and Endometriosis management as well as works in infertility and IVF.

He has been actively involved in the Australian Gynaecology Endoscopy and Surgery Society (AGES) having been a board member 2005-2009 and a current Board member, presenting on numerous occasions. He has been involved in the Anatomy of Complication Workshops for over a decade and is on the executive faculty.

### DR HUANG KUAN-GEN

Dr Huang practices as a Gynaecologic Oncologist at Chang Gung Memorial Hospital, Taiwan. He has special interest in Endoscopic Application in Gynaecologic Oncology. He and Dr Lee Chyi-Long co-created the Lee-Huang point and its application of usage in laparoscopic lymphadenectomy, ovarian transposition, surgical staging in endometrial cancer, radical hysterectomy in cervical cancer etc.

He is the Chairman of CGMH International Fellowship Gyne-Endoscopy Training Program and has trained more than 50 international fellows from Thailand, Philippines, Malaysia, Japan, Singapore, Hong Kong, Indonesia, Pakistan, Portugal, Argentina, Armenia and India.

### NORSIAH RAHMAT

Lecturer, Nursing Masters Program,  
Kuala Lumpur, Malaysia.

### NORMAH MAT

Sister, Gynae-Endoscopic Operating Theatre  
University Malaya Medical Centre,  
Kuala Lumpur, Malaysia.
